EXPERIENCE CERTIFICATE

This is to certify that Ms. Devyani Ramola, a B.Sc. (Hons.) Agriculture student at the College of Agriculture, G. B. Pant University of Agriculture and Technology, Pantnagar, worked as a Student Research Assistant under the All India Coordinated Research Project (AICRP) on Forage Crops and Utilization in the Department of Genetics and Plant Breeding for a period of four months, from 15 June 2024 to 15 October 2024.

During this period, she was involved in the Second Advanced Varietal Trial in Forage Maize (AVTM-2) conducted during the *Kharif* 2024 season at the N. E. Borlaug Crop Research Centre, Pantnagar. Through her involvement in the project, she gained practical experience in forage crop improvement, field trial management, varietal evaluation, yield and quality assessment, experimental data handling, and scientific writing. Her work included the following:

1. Field layout and management of the Second Advanced Varietal Trial in Forage Maize (AVTM-2) under a Randomised Block Design with three replications.
2. Identification of the appropriate harvest stage and recording of days to harvest for individual genotypes.
3. Recording and compilation of data on green forage yield, dry matter yield, plant height, and leaf-stem ratio.
4. Calculation of daily forage and dry matter productivity indices and preparation of forage samples for laboratory-based quality analysis.
5. Compilation and comparative assessment of trial data for nine test entries against three national checks, including interpretation of yield and quality performance.
6. Contribution to the interpretation and presentation of research findings and preparation of a scientific manuscript on forage maize varietal evaluation.

The conduct and character of Ms. Devyani Ramola is good. I wish her all the success in future endeavours.

(Birendra Prasad)
